**Reference Planning application 18/03100/MAO** Outline planning application for up to 160 dwellings including vehicular access from Gold Lane, emergency only access from the A4280, pedestrian and cycle links, public open space, car parking, drainage, landscaping and other associated works. All matters are reserved except for access.

Dear Bedford Borough Planning Office,

I object to the above planning application on the following basis:-

- Gold Lane cannot support the extra traffic from this development.
- The development would adversely impact the historic outlook of the area.
- The development would affect the sensitive bio-diversity of the pond area.
- There are plenty of local areas already being built on with no environmental impacts.

Yours faithfully
