1. Bedford Borough have issued an enforcement Public Order on the owner of the old umping Station but no tidying of the site has taken place to date and this is causing fly tipping too. Walls have been left semi-demolished and there is concern that if children play on it, they could be seriously injured. We should write to Borough to say no tidying up has begun, and the site is now a safety concern. Paul Pace is the person to contact. The Clerk is to send the relevant correspondence to Cllr Chase who will write a reply and copy to B Cllrs Gambold & Rigby. *Action: LL / PC*

If residents notice any fly tipping, they were asked to report it to Borough straight away. Borough use an app called ‘Clean Streets’ which is very good.

2. At the southern end of Days Lane there is a pedestrian gate which needs attention. The 5 bar gate has already been replaced. The Clerk agreed to contact Gary Creek. *Action: LL / GC*

Decision on 249 will not be known until the Inspector knows the decision by the Secretary of State about the 160 houses, the Section 106 agreement for which was due to be signed but is also held pending the Secretary of State's referral to the Planning Inspectorate.

*Speed Indicator Device:* The finance has been received from the Ward Cllrs Funding. Details of the SID to be purchased are to be obtained from Bryan Glasper and the order placed. *Action: LL / BC*

*Speedwatch:* Cllr Osuch attended the Speedwatch training and explained the system. Bryan Glasper will also attend the training and a further 2/3 volunteers are required. Permanent ‘prior warning’ signs (4) need to be purchased and placed at the edge of the village, so that they do not have to be positioned nearby each time a particular place is to be monitored. Various places around the village will be monitored, to be decided, but there were appeals for these to include Bromham Road and Biddenham Turn.

44. **Flag adjacent to the War Memorial:**

A resident had expressed concerns about the state of the St Georges flag and its flying 24/7 and asked if this could be changed to a Union flag or the St George flag to fly on specific important days. He offered to attend to the flags on behalf of the PC. B Cllr Gambold explained the background of the flag being flown 24/7. After discussion it was acknowledged that the flying of a flag 24/7 has helped to decrease vandalism.

The Chairman asked if any members of the public had any strong views. One resident said he thought the flying of the St Georges flag was a church issue.

All Cllrs made their comments which resulted in purchasing a new St Georges flag and flying it 24/7 with the Union flag being flown during November.

B Cllr Gambold said flags were purchased previously from House of Flags who would know what size of flag is required. The Clerk will take this forward.

30/40 mph Bromham Road: B Cllr Rigby said Andy Prigmore anticipates it will be in place by end of the year. It was suggested that maybe the 40mph could be extended down towards Great Denham to make exiting the road up from Bromham Bridge onto the bypass easier.

Yellow box at Biddenham Turn: B Cllr Rigby said the Police do not police yellow boxes. Cllr Chase wanted a sign to deter people from entering the boxes. It was noted again that the traffic lights are still not phased correctly especially for the pedestrian crossing – sometimes taking 5 minutes to get to green for the pedestrian crossing.
