

The Loop

Supplement
July 2023

Biddenham Open Gardens 4th June 2023

It was a beautiful sunny Sunday and the gardens open in aid of the British Red Cross all looked glorious, a huge credit to their generous owners.

We were treated to two cottage gardens, three traditional gardens and one modern garden showing a wide variety of planting including trees and shrubs, flowers, fruit and vegetables, wild areas and ponds. Pictures speak louder than words so I hope the photographs shown in this supplement will give you a fitting souvenir of a fabulous day.

Teas and a plant sale were provided by Red Cross volunteers and the day raised £2,267.60 for the British Red Cross.

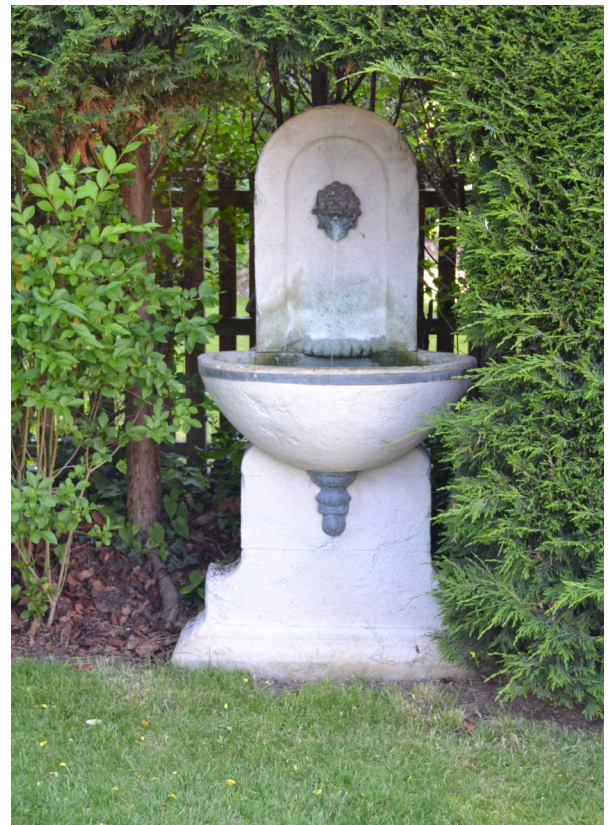

Jean Gambold

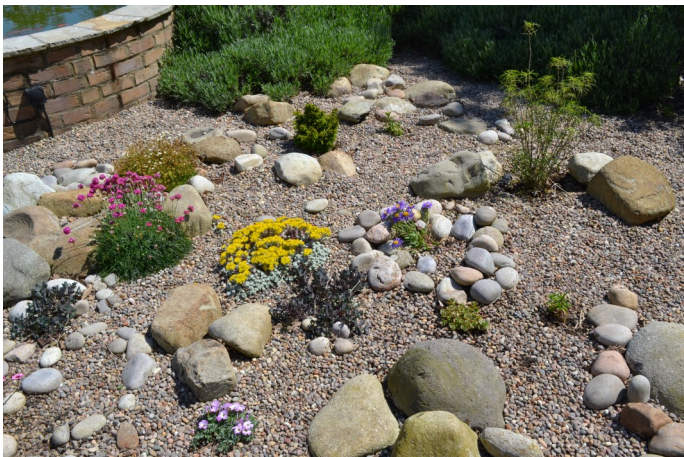

Well stocked veg plots

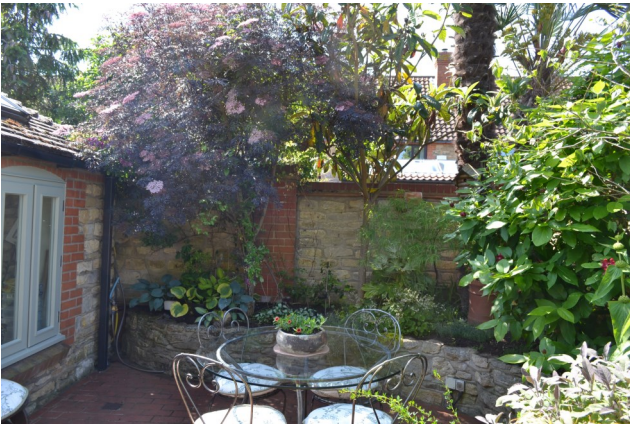

A variety of water features

Stunning design and planting

Colourful cottage gardens

Fabulous trees and hedges

....and
some
historic
sheds
